Hunyd be a szemed, szállj súlytalanul a felhők közé, és lásd meg madártávlatból az életet – az Esfera az önfeledt kikapcsolódásról és a mindennapokból való kiszakadásról szól. Ez a fajta luxus nem hivalkodó, hanem csendes és finom, mint egy féltve őrzött titok. A három réteg rugó mintha a gravitációval játszana, és organikusan alkalmazkodik, hogy megtámasszon, miközben sodródsz. A túlméretezett párnák arra csábítanak, hogy süppedj közéjük, hogy gondolataid magasabbra szállhassanak.

Heaven is a place on earth

Close your eyes, weightlessly float up into the clouds and take a bird's eye view of life – this sense of pure relaxation and getting away from it all is what Esfera is all about. This kind of luxuriousness is not ostentatious, but quiet and subtle, like a well-kept secret. Three layers of springs seem to play with gravity and organically adapt to support you as you drift away. The oversized pillows tempt you to go even deeper so that your thoughts can glide higher.
