Maximalista, fenséges, sokrétű

A Cocoa Island kanapéken a régi hagyományok az új szabványoknak felelnek meg. Akár egészen kicsi, akár nagyon nagy helyiségről legyen szó, a Chesterfield kanapé új, moduláris változata mindig fenségesen mutat. Ennek oka a nem szokványos méretek, valamint a kissé döntött háttámla.

A kárpit a szó valódi értelmében vett ragyogást varázsol elénk: a kézzel tűzött gombok körül olyan ráncok jelennek meg, amelyek égitestekről kisugárzó fényre emlékeztetnek. Így megelevenedik a fény és az árnyék lágy összjátéka, amely nem mellesleg szintén mennyei érzés.

Maximized, majestic, multidimensional

Cocoa Island has old traditions meet new standards. Whether it is a very small room or a very large one – the new modular version of the Chesterfield sofa always looks majestic. The reasons for that are the unconventional dimensions as well as the angled back-rest. The cover unfolds its radiance

in the truest sense of the word: Around the buttons, which were sewn on by hand, folds appear which remind of beams coming off a planet. That way, a soft interplay between light and shadow comes alive which, by the way, also feels heavenly.
