Sodródj az álmaiddal

Milyen harmonikusnak tűnik a Teratai, ahogyan sodródik és egészen úgy bontakozik ki, mint egy tavirózsa. Ez az organikus tökéletesség rengeteg kézimunka és türelem eredménye: ahhoz, hogy megvalósítsuk ezt az ambiciózus szabást – lágy behúzások, amelyek átfordulnak az éleken, itt lekerekített, ott sima, de sehol sem túl feszes –, minden egyes anyagdarab sok törődést igényel. A varratok úgy futnak át a kanapén, mint az erek a levélen. Életet adnak ennek a természeti jelenségnek, ugyanakkor volument és struktúrát is. 22 óra alatt formálódik meg ez az érzékeny bútorszobor, eddig tart mire elkészül. A hozzá tartozó forgófotel hívogat, hogy időzz el a biztonságos közepében.

Drift and dream

How harmonic Teratai seems to be, as it is drifting and unfolding like a water lily. This organic perfection is the result of a lot of handiwork and patience: In order to realize the ambitious cut – softly indented, sometimes over an edge, rounded here, smooth there but not too tight – every single piece of cloth needs a lot of care. The seems traverse through the sofa like veins through a leaf. They give life to that natural phenomenon and give it volume and structure. 22 hours is how long it takes to shape this sensitive furniture sculpture, until it is ready. The accompanying swivel chair invites you to linger in its safe middle.

A méretek a szabadon álló egyedi elemekre vonatkoznak.

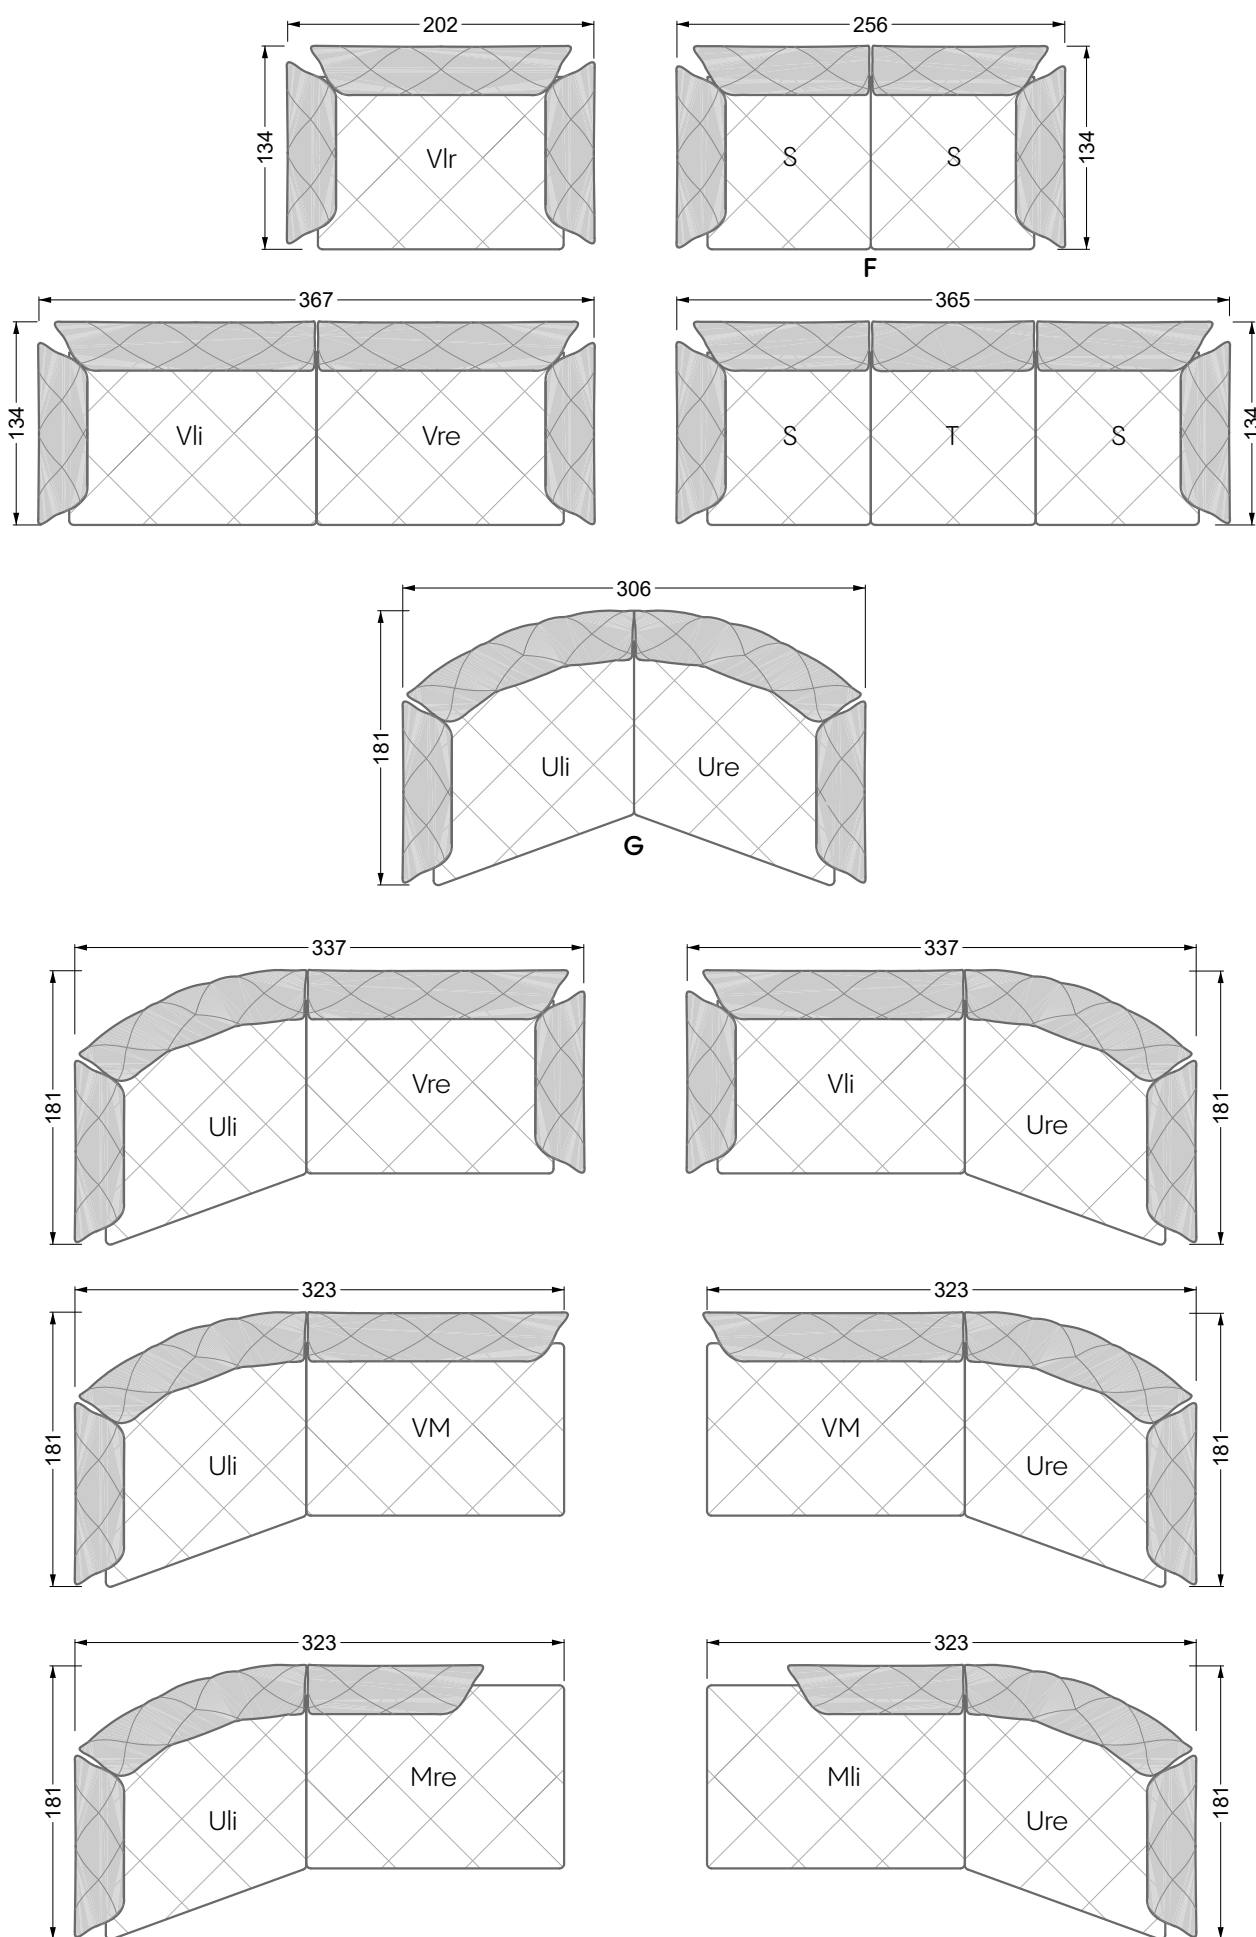

A kiegészítendő darabok oldalain egy steppeletlen kárpitozású, íveletlen oldal található.

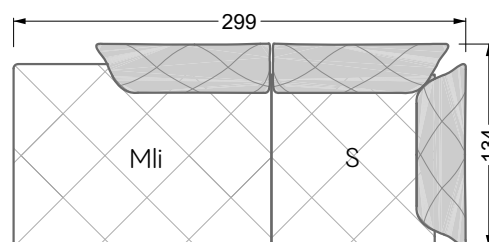

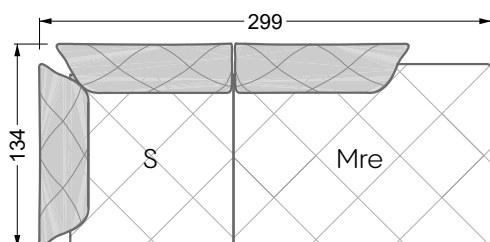

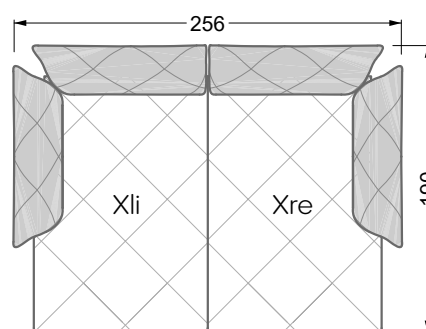

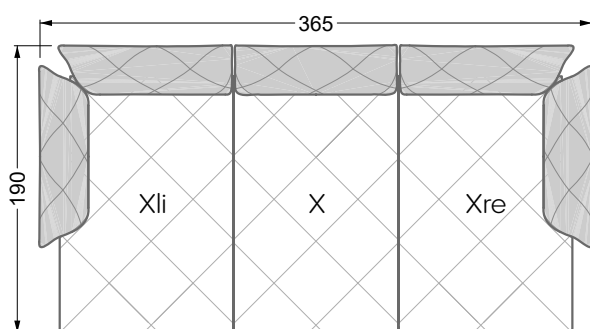

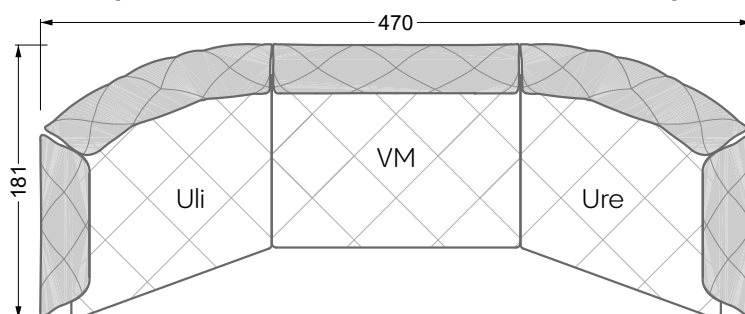

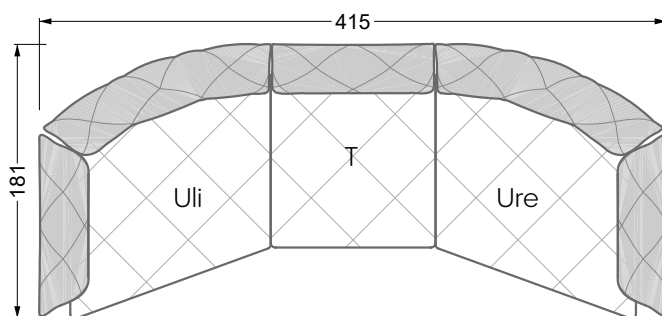

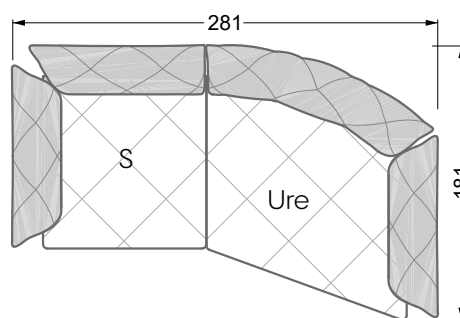

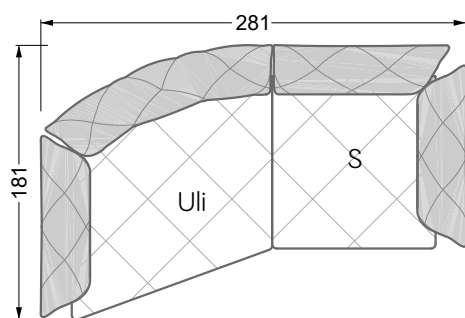

A végdarabok és az egyedi, szabadon álló elemek szabad oldalain 6 cm-es ív található.

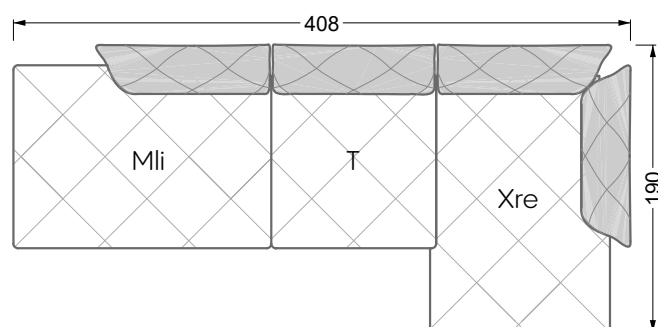

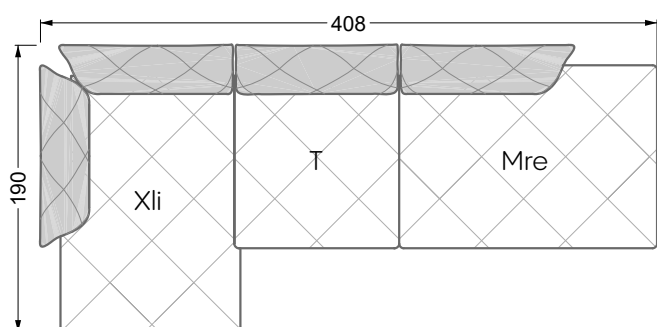

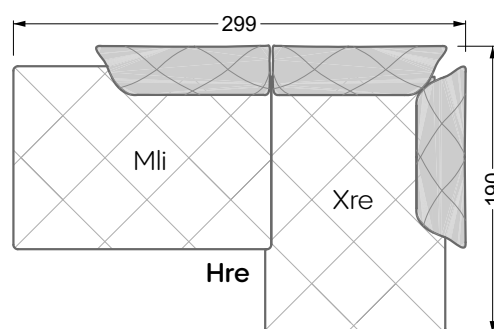

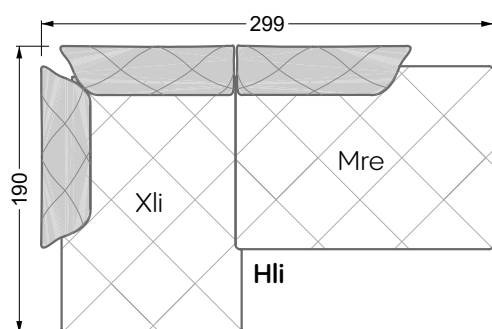

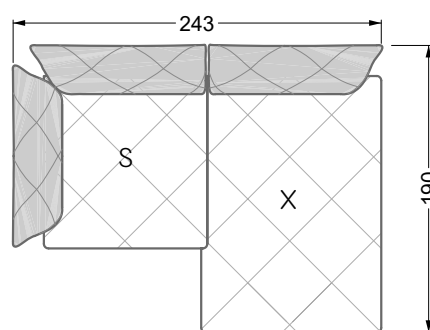

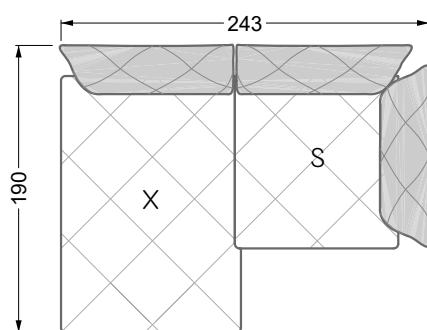

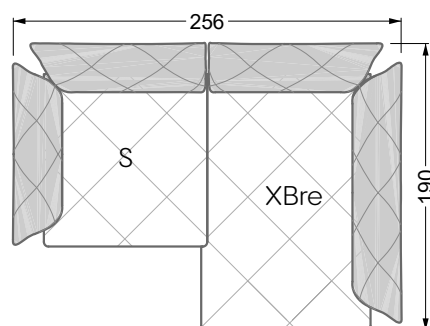

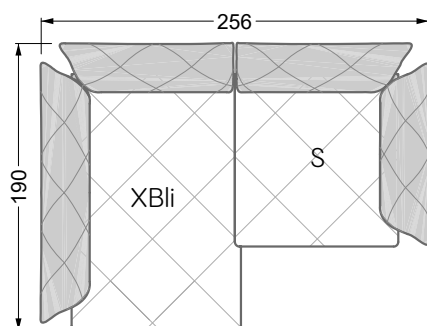

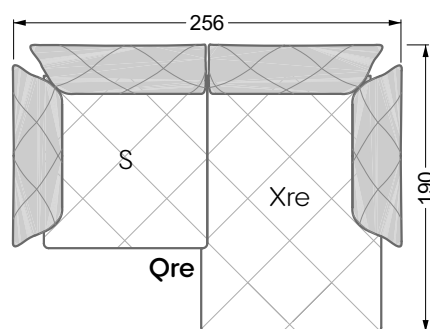

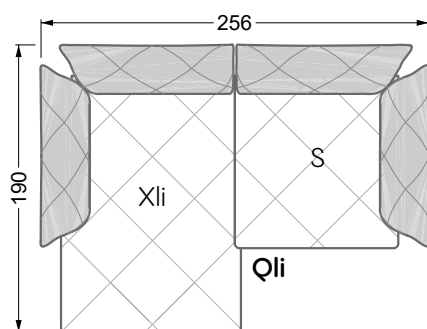

Ez azt jelenti, hogy amikor az egyes alkatrészeket szabadon kombinálják, a kiegészítők oldalaiából 6 cm-t

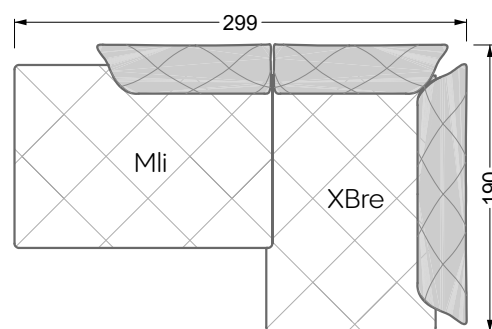

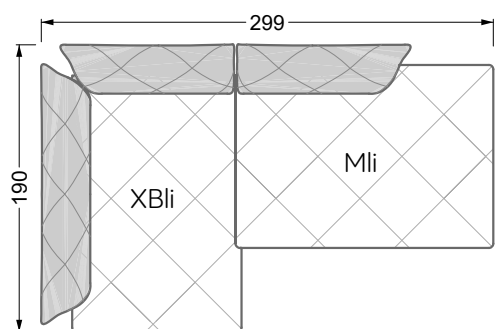

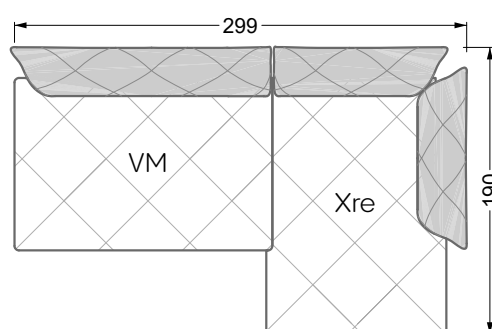

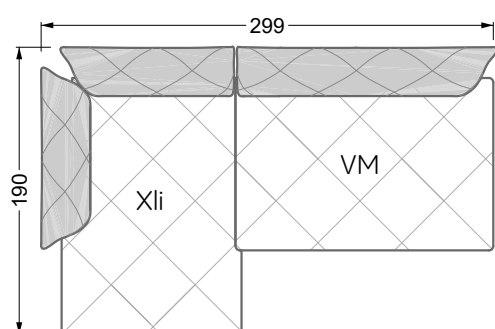

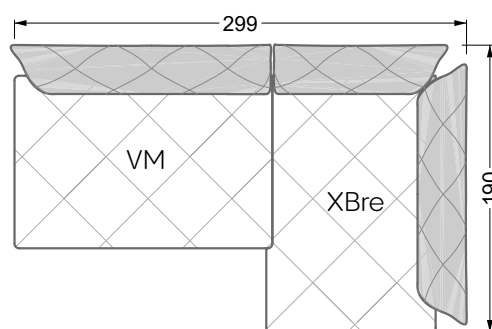

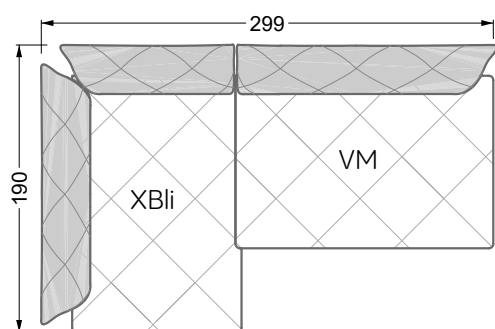

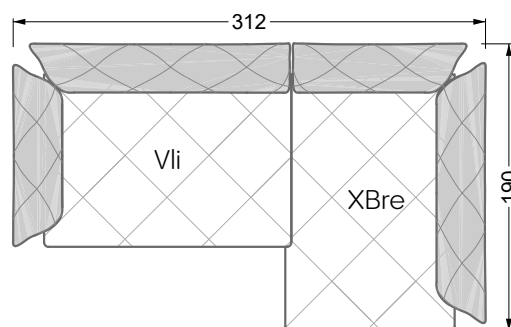

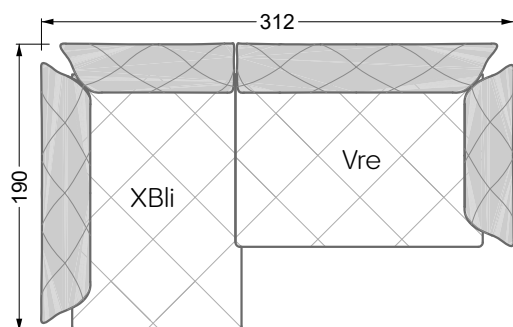

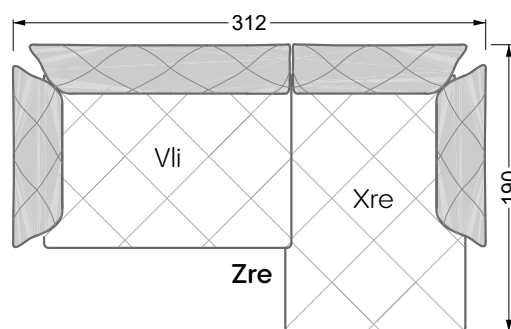

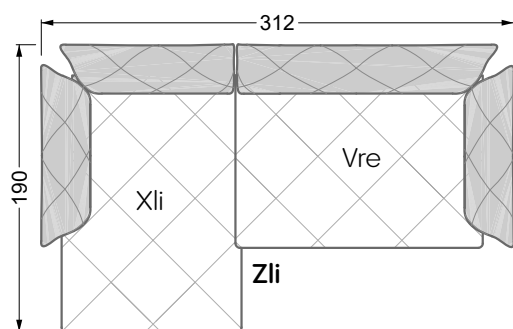

(elemenként és oldalanként 3 cm-t) le kell vonni.
